INTRO to Figure Skating and JUNIOR STARSkate

INTRO to Figure Skating Program

INTRO is designed for skaters who wish to move on to our STARSkate Programs, but may require another year of structured group lessons before making the transition of working on their own. Skaters who have passed the stage 4 Canskate Level Badge can go directly into this program.

JUNIOR STARSkate Program

The STARSkate program offers opportunities for skaters to develop in a more independent program that teaches fundamentals of Figure Skating in a progressive and sequential manner. Figure skating skills are taught in a group, semi-private or private lesson format by the Club's Professional Coaches in the following areas: Dance, Free Skate and Skating Skills. Skater's will also have the opportunity to be tested by Skate Canada Evaluators.

Start dates: Please mark on your Calendar!! You will only be called if there is a change to your requested skating times. Please be at the arena 10 minutes earlier on the first day to pick up your child's name badge.
